

How I find the way (back) to God, how I can believe in Jesus Christ and how I am accepted

This is so easy, but people make everything so complicated. We mean, we need a payment in advance for God or must gather good points that we become attractive for him, so that **HE** hears us. However, this is a thinking of spirit of the age: *If you give something then you get something*. But **GOD** has another, much better calculation as we have.

HE would like present us with nothing but love. It don't disturb **HIM** whether we are heroes or rather scared women or men. It makes no difference to **HIM** whether we are clever or not so clever, whether we are pretty or less nice people. **HE** does not judge us by qualification or graduation; no, **GOD** accepts me, as well as I am.

GOD says it quite clearly in Proverbs 8,17:

I love those who love me, and those who seek me find me.

What **HE** only expects from me is the fact, that I ask seriously and from the bottom of heart for **HIM** and that I am sorry about, that I tried to live without **HIM**. I must say **GOD** honestly that I accept the offer to live with **HIM** and so I get involved with **HIS SON JESUS CHRIST**.

JESUS CHRIST has entered into this tear of our non-connection to **GOD**. **HE** has our whole mistakes, our guilt, all the things which bind us convulsively, things we can not manage, also our feebleness and our non-understanding in this world, settled with **HIS** blood on the cross of Golgatha, **HE** has sacrificed **HIMSELF**. **HE** takes away our wrong pride and our sometimes lying facade, because of **HIM** we can get a friendly, honest and bright look.

JESUS SAYS: "I AM THE WAY AND THE TRUTH AND THE LIFE. NO-ONE COMES TO THE FATHER EXCEPT THROUGH ME."

(Johannes 14, 6)

And without **HIM** we can not really manage our life. **GOD** sees and accepts us by **HIS SON**. **GOD** have had such a big longing and love for us, for you, that **HE** sacrificed his **BELOVED SON**. It is difficult to explain this and also not easy to understand; it is inconceivable, but *reality*. You can be astonished thankfully and accept this.

And because **JESUS CHRIST** arose from the death, we may live with **HIM** forever. This already has effects in this world, in friendships, in marriages, in jobs, at school or where you are at the moment. It will be worth to start an attempt. Come, find it out, talks with **GOD**. Only **HE** can give us a real peace in our heart, **GOD** reveals himself in **JESUS CHRIST**. Then it will become true for you, what the basic principle on my website says:

The peace (shalom) of God is a precious treasure in your life and you don't have to pay for it!

Who does not want to accept this great present, is silly. Sorry, that I say this! But something better cannot happen to us, its more than a present to Christmas, it is a present for life! Receive it!

This I wish you from my whole heart.

With pleasure I answer all questions and of course quite confidentially.

Your Sieglinde
